Choose your sink type carefully. If you want a white sink, choose a hard wearing material like this composite.

5.

6.

If you want to add some softness and texture to the kitchen try Ruggable. This machine washable rug system is attractive and easy to keep clean

8.

When it comes to adding warmth and character to your home you can't beat the beauty of real wood. Look for hard woods like oak or maple instead of soft wood like pine for the best durability
