Use a large floor mirror to reflect light back into the space for a brighter room

Invest in high quality long-staple cotton sheets. They will feel soft for years to come and stand up better to frequent washing

Rugs are a great way to add texture, color and softness to a space.

Curtains are not only great for adding softness and texture, they are also a must have for privacy

Layer your lighting for a cozy space. Use a mixture of overhead, table and floor lamps
