A cool toned silvery green gray with a slight blue hint

Layer your lighting for a cozy space. Use a mixture of overhead lights, floor lamps and table lamps to create a relaxing bedroom.

Rugs are a great way to add softness to a bedroom. I love Ruggable since they can be machine washed.

For privacy and sleep quality, invest in room darkening or black out curtains

A faux tree in a decorative pot is a great way to warm up a space.

A storage trunk is not only decorative, it's a great place to store extra blankets
