BENJAMIN MOORE  
PASHMINA  
AF-100

## **Benjamin Moore / Pashmina AF-100**

A versatile mid-tone warm grey/beige without a pink undertone. Dark enough not to look washed out in rooms without a lot of natural light but light enough to work in smaller spaces too.

1.

Use block out curtains for privacy and to minimize light pollution for a better night's sleep

5.

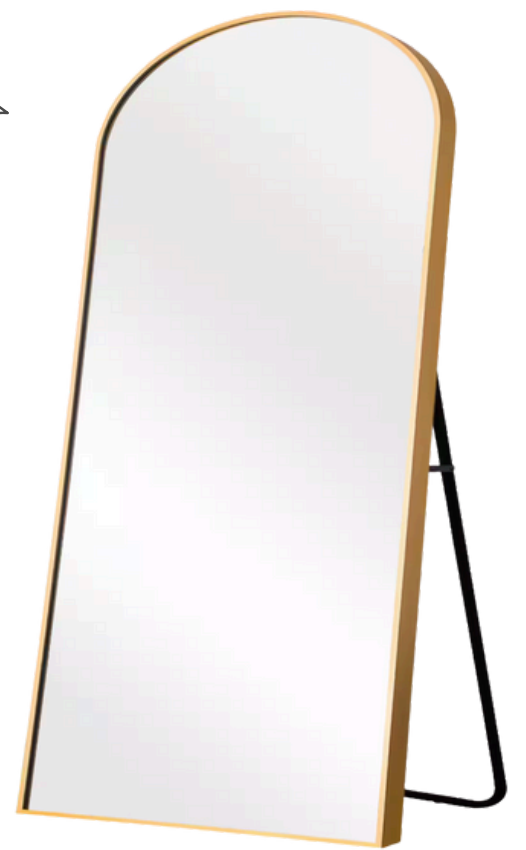

Brighten up a small space by using a large mirror to reflect natural light back into the room. Place opposite a window or another light source!
