

Create a cheerful breakfast nook!

BENJAMIN MOORE
SUMMER SHOWER 2135-60

This breezy shade of blue has a touch of green which keeps it from feeling cold.

BENJAMIN MOORE
WINDHAM CREAM HC-6

Sunny and bright, Windham Cream is just yellow enough to feel cheerful but will not overwhelm a space.

BENJAMIN MOORE
DUNE GRASS 492

A fresh light green with a slight earthy olive undertone and a hit of gray for softness

Layer your lighting. Use a combination of overhead, floor and table lamps for a cozy space

Mix and match! Remember furniture doesn't have to come as a set. Pair painted pieces like this cabinet with a wood table and chairs

A rug is a great way to add texture and pattern to a space. Plus, rugs are the perfect way to define an area in a open plan.
