Benjamin Moore Wedgewood Gray HC-146

Benjamin Moore Wedgewood Gray HC-146
A moody mixture of soft blue and green with a gray undertone.

Layer your lighting. Use a combination of overhead, table and floor lamps to create a cozy space

Use a large floor mirror to reflect light back into a room and make it feel brighter

Rugs are a great way to add texture and pattern to your space as well as soften the room

Extra seating and bonus storage! A bench like this one is perfect for organizing extra blankets or seasonal bedding

Mix and match your bedroom furniture. Remember a bed doesn't have to be from the same collection as the dresser or nightstand.
