Faux plants are a low maintenance way to add warmth and color to your space.

3.

Mix and match your furniture for a more visually interesting space. Remember not every piece has to be from the same collection!

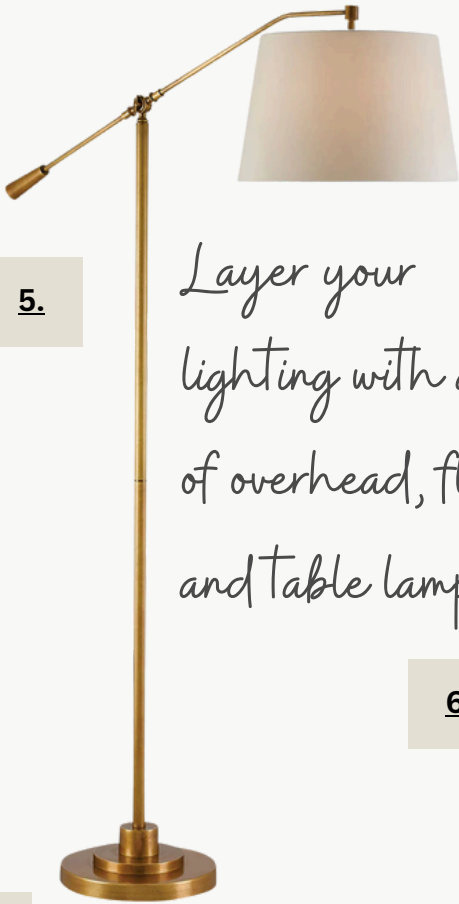

4.

Invest in a high quality comfortable couch.

It will last you for years to come!

5.

Layer your lighting with a mix of overhead, floor and table lamps

A warm creamy shade with a slight hint of gray and a subtle green flash

Quartz is a great option for kitchen counters. It's durable, resists stains and scratches and comes in a variety of colors

These quartz sinks are impact, scratch and stain resistant.

Ruggable is a great option for kitchen rugs. The top layer can be removed and machine washed - perfect for high traffic spaces!

Add rustic touches like dinnerware, wooden boards and counter accents for texture..
